

# THANK YOU!

As the end of the 2023-2024 school year races toward us, I would like to take a moment to thank our students, parents, staff, and community members for their contribution to public education.

**To our students:** We thank you for your hard work, leadership and engagement within your schools and communities. Your willingness to participate in your schools and communities has and will continue to bring positive changes to our schools.

**To our graduates:** Congratulations! I know you will continue to make PRSD proud after graduation. All of your hard work and late nights studying will go a long way to prepare you for the opportunities that lie ahead.

**To our parents and community volunteers:** Your efforts have not gone unnoticed. You are a valuable part of the fabric of our schools.

**To our staff:** Thank you for your dedication to our students. Your care and attention to each one of your students has allowed them to flourish and grow both in and out of the classroom. I truly appreciate everything you do.

**To our community members and organizations:** Whether it's a local municipality, the RCMP, a non-profit organization, or a talented community member - Thank you! I feel deeply humbled by your generosity and support for the public education system. You have given our schools countless hours behind the scenes to support our students and staff in so many different ways.

Let's take some time now to enjoy the rewards of our hard work and celebrate the accomplishments of our students and staff. I'm looking forward to another great year ahead!

*Adam Murray, Superintendent of Schools*
