SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of 1070 The Peace River School Division presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

NOTES TO THE FINANCIAL STATEMENTS	21

To the Board of Trustees of Peace River School Division:

Opinion

We have audited the financial statements of Peace River School Division (the "School Division"), which comprise the statement of financial position as at August 31, 2024, and the statements of operations, changes in net financial assets, remeasurement gains and losses and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School Division as at August 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School Division in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The supplementary unaudited schedules of fees and system administration are unaudited.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School Division or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School Division's financial reporting process.

9913 98 Avenue, Peace River AB, T8S 1J5

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- · Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed infrastructure Maintenance Renewal (IMR), CMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

xpensed IMR, CMR & Modular Unit Relocation & Lease Payments: All operational expenses associated with non-capitalized IMR and CMR projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

PEACE RIVER SCHOOL DIVISION NOTES TO THE FINANCIAL STATEMENTS

1. AUTHORITY AND PURPOSE

PS 1000, PS 1100

The School Jurisdiction delivers education programs under the authority of the *Education Act*, 2012, Chapter E-0.3.

The jurisdiction receives funding for instruction and support under the Ministerial Grants Regulation (AR 215/2022). The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Canadian Public Sector Accounting Standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The organization's financial assets and liabilities are generally measured as follows:

Financial Statement Component

Cash and cash equivalents

Accounts receivable

Inventories for resale Portfolio investments

Accounts payable and accrued liabilities

Debt

Asset retirement obligations

Measurement

Cost

Lower of cost or net recoverable value Lower of cost or net realizable value

Fair value and amortized cost

Cost

Amortized Cost

Cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the school jurisdiction's financial claims on external organizations and individuals, as well as cash and inventories for resale at the year end.

Cash and Cash Equivalents

PS 1201.104-.105

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Portfolio investments PS 3041, PS 3450

The School District has investments in GIC's, term deposits, bonds, equity instruments and mutual funds that have no maturity dates or a maturity of greater than three months. GIC's, term deposits and investments not quoted in an active market are reported at cost or amortized cost. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value. Discounts and premiums arising on the purchase of fixed income securities are amortized over the term of the investments.

Scholarship Endowment Funds HB 4410.29, .49

Scholarship Endowment Funds are included in the notes to Financial Statements only. Contributions and income pertaining to scholarship endowment funds are recognized on the Statement of Operations and must be held in perpetuity in accordance with the agreement with the donor. The residual may be disbursed for the purposes of the scholarship. Undisbursed funds earned on endowment principal are recognized as deferred revenue or as revenue in the year to the extent that stipulations have been met. Donors have placed restrictions on their contributions to endowments, for example, capital preservation. The principal restriction is that the original contribution should be maintained intact in perpetuity. Other restrictions may include spending investment income earned by endowments for specific operational or capital purposes or capitalizing a certain amount of investment income to maintain and grow the real value of endowments.

Liabilities

Liabilities are present obligations of the school jurisdiction to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

<u>Deferred Contributions</u> PS 3100, 3410.16, .17, .19, .25

Deferred contributions include contributions received for operations, which have stipulations that meet the definition of a liability per Public Sector Accounting Standard (PSAS) PS 3200. These contributions are recognized by the School District once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred contributions is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also includes contributions for capital expenditures, unspent and spent. Unspent Deferred Capital Contributions (UDCC) represent externally restricted supported capital *Summary of Significant Accounting Policies (continued)* funds provided for a specific capital purpose received or receivable by the jurisdiction, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when spent.

Spent Deferred Capital Contributions (SDCC) represent externally restricted supported capital funds that have been spent but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require the school jurisdiction to use the asset in a prescribed manner over the life of the associated asset.

Employee Future Benefits
PS 3250.84, .100-.104, PS 3255.35-.36

The School Division provides certain post-employment benefits, including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The School Division accrues its obligations and related costs, including both vested and non-vested benefits under employee future benefit plans. Benefits include defined-benefit retirement plans, vested or accumulating sick leave, early retirement, retirement/severance, job training and counseling, post-employment benefit continuation, vacation, overtime, death benefits, and various qualifying compensated absences, early retirement, retirement/severance, vacation, overtime, death benefit and non-vested sick leave. The future benefits cost is actuarially determined using the projected unit credit method pro-rata on service and using management's best estimate of expected salary escalation, benefit usage, termination and retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing.

Asset Retirement Obligations HB 3110.21, PS 3280

Asset retirement obligations are legal obligations associated with the retirement of tangible capital assets (TCA). Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to;

- decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed:
- remediation of contamination of a tangible capital asset created by its normal use;
- · post-retirement activities such as monitoring; and
- constructing other tangible capital assets to perform post-retirement activities.

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities but instead:

- (a) are normally employed to deliver government services.
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets, inventories of supplies and prepaid expenses.

Tangible capital assets PS 3150

The following criteria applies:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement, or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the School Division to provide services or when the value of future economic benefits associated with the sites and buildings are less than
- their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Revenue (EDCR).
- · Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.

- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Board are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School Division's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings Vehicles & Buses Other Equipment & Furnishings Land Improvements 10 to 40 years 7 to 12 years 5 years 12.5 years

Inventories of supplies

Inventories of supplies are valued at the lower of cost and replacement cost. Cost is determined on a first-in, first-out basis.

Prepaid expenses

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects the use of the resource.

Operating and Capital Reserves PSG-4

Certain amounts, as approved by the Board of Trustees, are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes Net Assets.

Revenue Recognition PS 3410.08, .16, .17, .19, 3510

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

Eligibility criteria are criteria that the School Division has to meet in order to receive certain contributions. Stipulations describe what the School Division must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with Section PS 3200. Such liabilities are recorded as deferred revenue.

Expenses

PS 1201.85 - .88

Expenses are reported on an accrual basis. The cost of all goods consumed, and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

Program Reporting

PS 2700.07, .26

The Division's operations have been segmented as follows:

- ECS Instruction: The provision of ECS education instructional services that fall under the basic public education mandate.
- **Grades -12 Instruction**: The provision of instructional services for Grades 1 12 that fall under the basic public education mandate.
- Plant Operations and Maintenance: The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facility expenses.
- System Administration: The provision of board governance and system-based / central
 office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education must be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and System Instructional Support.

Trusts Under Administration PS 1300.40, .46

The School Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The Division holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the Division. Trust balances can be found in Note 12.

Financial Instruments

PS 3450

A contract establishing a financial instrument creates, at its inception, rights, and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School Division recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, portfolio investments, bank indebtedness, accounts payable and accrued liabilities, debt and other liabilities. Unless otherwise noted, it is management's opinion that the School Division is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

Portfolio investments in equity instruments quoted in an active market and derivatives are recorded at fair value. All other financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from de-recognition of a financial instrument is recognized in the Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Statement of Operations.

Measurement Uncertainty

PS 2130

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, asset retirement obligations, rates for amortization and estimated employee future benefits.

3. ACCOUNTING CHANGES

The Public Sector Accounting Board has issued the following accounting standards:

• PS 3400 Revenue (effective September 1, 2023)

This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and non-exchange transactions.

The school division has appropriately adopted this standard.

4. CASH AND CASH EQUIVALENTS

Cash and cash equivalents \$9,268,044

5. ACCOUNTS RECEIVABLE

		2024		2023
	Gross Amount	Allowance for Doubtful Accounts	Net Realizable Value	Net Realizable Value
Alberta Education - Grants	\$8,288	\$0	\$8,288	\$50,357
Alberta Education - Capital	240,000	•	240,000	-
Federal government	141,087	-	141,087	70,899
Other	484,831	_	484,831	242,674
Total	\$874,206	\$0	\$874,206	\$363,930

6. INVENTORY

	2024	2023
Inventory - Supplies	\$428,036	\$399,181
Total	\$428,036	\$399,181

7. Equity in the Alberta Risk Management Insurance Consortium (ARMIC)

ARMIC is an insurance reciprocal including thirty-seven (37) rural school boards across Alberta. The Peace River School Division's equity balance as of August 31, 2024, is the balance paid into the reciprocal as of the financial statement date.

	2024	2023
Equity in the Alberta Risk Management Insurance		
Consortium	\$465,171	\$384,478
Total	\$465,171	\$384,478

8. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2024	2023
Other salaries & benefit costs	\$692,596	\$557,253
Other trade payables and accrued liabilities	2,722,248	1,902,835
Total	\$3,414,844	\$2,460,088

9. BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers' Pension Plan Act, the School Division does not make pension contributions for certificated staff.

The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the jurisdiction is included in both revenues and expenses. For the school year ended August 31, 2024, the amount contributed by the Government was \$1,919,887 (2023-\$1,829,610).

The school board participates in a multi-employer pension plan, the Local Authorities Pension Plan. The school jurisdiction is not responsible for future funding of the plan deficit other than through contribution increases. The expense for this pension plan is equivalent to the annual contributions of \$656,147 for the year ended August 31, 2024 (2023 \$698,214). At December 31, 2023, the Local Authorities Pension Plan reported a surplus of \$15,057b (2022, a surplus of \$12,671b).

The school division provides non-contributory defined benefit supplementary retirement benefits to its executives.

The jurisdiction participates in the multi-employer supplementary integrated pension plan (SiPP) for members of senior administration. The plan provides a supplement to the LAPP or ATRF pension to a full 100% of pensionable service. The annual expenditure for this pension plan is equivalent to the annual contributions of \$25,406 for the year ended August 31, 2024 (2023 - \$24,933)

The school division does not have sufficient plan information on the LAPP/ SiPP to follow the standards for defined benefit accounting and therefore follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the LAPP/SiPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefits.

10. PREPAID EXPENSES:

	2024	2023
Prepaid insurance	\$79,037	\$144,430
Other	381,015	409,990
Total	\$460,052	\$554,420

11. TRUSTS UNDER ADMINISTRATION

These balances represent assets that are held in trust by the jurisdiction. They are not recorded on the statements of the Division.

2024	2023
\$291,786	\$282,413
\$291,786	\$282,413
	\$291,786

12. ASSET RETIREMENT OBLIGATIONS AND ENVIRONMENTAL LIABILITIES

Asset Retirement Obligations, beginning of year	\$4,504,704	\$4,644,537
Liability incurred	-	-
Liability settled	-	(139,833)
Accretion expense	-	-
Revision in estimates	-	-
Asset Retirement Obligations, end of year	\$4,504,704	\$4,504,704

Tangible capital assets with associated retirement obligations include buildings. The school division has asset retirement obligations to remove hazardous materials and asbestos fibre containing

materials from various buildings under its control. Regulations require the school division to handle and dispose of the asbestos in a prescribed manner when it is disturbed, such as when the building undergoes renovations or is demolished. Although timing of the asbestos removal is conditional on the building undergoing renovations or being demolished, regulations create an existing obligation for the school division to remove the asbestos when asset retirement activities occur.

Asset retirement obligations are initially measured as of the date the legal obligation was incurred, based on management's best estimate of the amount required to retire tangible capital assets and subsequently remeasured taking into account any new information and the appropriateness of assumptions used. The estimate of the liability is based on an estimated assessment report performed and provided by Pinchin Ltd.

The extent of the liability is limited to costs directly attributable to the removal of hazardous materials and asbestos fibre containing materials from various buildings under school division's control in accordance with the legally enforceable obligation establishing the liability.

13. SCHOOL GENERATED FUNDS

	2024	2023
School Generated Funds, Beginning of Year Gross Receipts:	\$641,346	\$604,999
Fees	229,506	197,311
Fundraising	698,020	536,121
Gifts and donations	145,126	118,005
Grants to schools	-	-
Other sales and services	27,854	39,999
Total gross receipts	\$1,100,506	\$891,436
Total Related Expenses and Uses of Funds Total Direct Costs Including Cost of Goods Sold to Raise	804,154	764,766
Funds	312,199	90,323
School Generated Funds, End of Year	\$625,499	\$641,346
Balance included in Accumulated Surplus (Operating Reserves)	\$625,499	\$641,346

14. NET ASSETS:

The school jurisdiction's accumulated surplus is summarized as follows:

	2024	2023
Unrestricted surplus (deficit)	(\$3,153,207)	\$326,329
Operating reserves	5,071,581	3,060,050
Accumulated surplus (deficit) from operations	\$1,918,374	\$3,386,379
Investment in tangible capital assets	10,408,955	9,076,131
Capital reserves	2,912,948	2,912,948
Accumulated remeasurement gains (losses)	78,125	-165,738
Accumulated surplus (deficit)	\$15,318,402	\$15,209,720

Included in Accumulated surplus from operations are school generated funds to which the Division has no claim. Adjusted accumulated surplus represents funds owned by Peace River School Division.

	2024	2023
Accumulated surplus (deficit) from operations	\$1,918,374	\$3,386,379
Deduct: School generated funds included in		
accumulated surplus (Note 13)	625,499	641,346
Adjusted accumulated surplus (deficit) from		
operations(1)	\$1,292,875	\$2,745,033

⁽¹⁾ Accumulated surplus represents funding available for use by the school jurisdiction after deducting funds committed for use by the schools.

15. RELATED PARTY TRANSACTIONS

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions, and other school jurisdictions in Alberta.

16. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The jurisdiction's primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent on this funding.

17. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Trustees on May 18, 2023.

18. COMPARATIVE FIGURES

The comparative figures have been reclassified where necessary to conform to the 2023/2024 presentation.
